PROFESSIONAL SUMMARY

Motivated IT graduate with a Postgraduate Diploma in Information Technology, seeking an internship to apply and expand my technical skills. I have hands-on experience in system and data mapping, improving efficiency and accuracy, and I worked as an IT Trainee at Clover S.A (Pty) Ltd, where I developed strong problem-solving and collaboration skills. My background in quality assurance for matric exams has further enhanced my attention to detail and adaptability. I am eager to contribute to your team and support organizational goals.

BEHAVIOUR SKILLS

- Excellent written and verbal communication skills
- Flexible and collaborative worker
